ACM

Hightech

(Aluminum composite material)

SUPER PEELING STRENGTH

—— Ordinary colors : more than 30 kinds of Solid colors and Metallic color reference.

—— Customized colors : PANTON,Ral colors available;

—— Mirror effect: Gold mirror, silver mirror effect available.

—— Brushed effect: Siliver brushed,bronze brushed available.
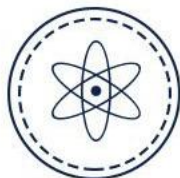

—— Printing

PRODUCT ADVANTAGES

Fire retardant

Beautiful shape

Good conductivity

Wide application

PROFESSIONAL QUALITY
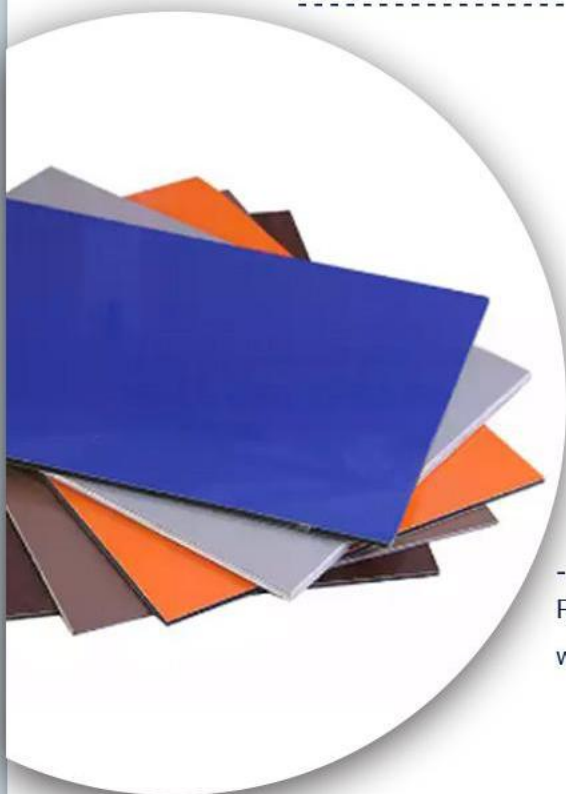

STRUCTURE ANALYSIS OF ALUMINIUM COMPOSITE PANEL

Aluminum sheet — Aluminum surface (PE/PVDF coating)

PE/FR Core

Aluminum sheet — Aluminum surface (PE/PVDF coating)
