

RAINPROOF POWERSUPPLY

Learn more

Product information

Class A circuit board

High quality energy storage capacitor
with large capacity, high withstand
voltage and low loss

**Power
connection port**
Three groups of wiring
(input ground wire output)

Aluminum shell

The fuselage is made of aluminum alloy with high thermal conductivity, which is firm and durable

Exquisite packaging

**Thickened packaging and
transportation worry free**

Rainproof aluminum case

Designed to against Dust /Humid /Heat and corrosion

Packaging display

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

INPUT:200-240VAC 50/60Hz 4A Max

Output :DC12V --- 33.3A Power: 400W Max

100% efficiency
over-voltage protection
over-current protection
over-load protection
over-temperature protection
short-circuit protection

200W

RAINPROOF POWER SUPPLY

Power	400W
Small box	121*54*196mm
Big box	610*290*380mm
